

## Girls Can Do Anything...

An 8 week empowerment model for  
Middle School & High School Girls

Our strengths-based, skill building approach creates a safe & engaging space for girls to:

- Develop connection & feel included
- Build strong interpersonal skills
- Strengthen self-care & well-being, even under stress
- Dissolve barriers to respect, confidence & empathy

**The shortest distance between isolation & belonging is a circle.**

Girls Circle specializes in programs built on the research-based model proven to increase girls' self-efficacy, body image, and social support.
